Competition announcements and packages are available through all participating figure skating clubs and/via the club websites or at our series website www.centralminnesotaseries.org. Each competition has its own online entry forms, please make sure to read the entire announcement for details. Any questions regarding this series are to be directed to any of the contacts listed below.

RULES: These individual competitions will be conducted under the rules set forth by the Learn to Skate USA Competition Manual.

ELIGIBILITY RULES FOR PARTICIPANTS: Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic 1-6** skaters must skate at highest level passed or one level higher and **NO** official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Free Skate, Free Skate 1-6, Excel, and Well Balanced levels** eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at highest level passed **OR** one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

COMPETITION ENTRIES AND FEES: Each individual competition has its own on-line registration form and a registration must be completed for each of the individual competitions being entered. All registrations will need to be completed on-line with a secure credit card payment. Please go to each individual club website and click the individual competition link. Online entries will be accepted until MIDNIGHT of the deadline date noted for each event (see cover page of this announcement and/or individual registration forms per site). Late entries will not be accepted following the deadline date. Space may be limited by site so please submit your registrations early.

Entry fees are per person, U.S. dollars. The first event is \$45, the second event is \$25 and the third event is \$15. Entry fees are not refundable unless the competition is cancelled. There will be a \$30.00 fee for contested credit card charges.

SERIES ENTRIES AND FEES: Entry into the Central Minnesota Compete USA Series is OPTIONAL and not a requirement to participate in any of the hosting clubs' competitions. To be included in the Central Minnesota Compete USA Series and eligible for the 2021 season end awards ceremony, you must be a Central Minnesota Compete USA Series participant and pay a **ONE-TIME FEE** of \$25. You may enter the Series at any point during the season. Your points will not begin to accumulate until the **ONE-TIME FEE** is recorded. Each hosting club registration form will have a space to enter the Series and/or a check-box to acknowledge those already participating as a part of the Central Minnesota Compete USA Series to ensure points are tracked accordingly. Skaters participating in all FOUR (4) individual competitions will be eligible for a drawing for a FREE Zuca Frame and Bag.

PRACTICE ICE: We will not be offering any practice ice at the 2021 competitions. Each skater will have warm-up time prior to their event.

MUSIC: The music for all free skating programs must be uploaded to the competition site. Skater's should have a duplicate copy of their music readily available at all event times requiring music.

JUDGING: The 6.0 Majority Judging System will be used. Individual Judging Worksheets are private and will not be shared with Skating Professionals or Parents.

SCHEDULE OF EVENTS: Skaters will be grouped together in small groups to compete both their Compulsory and Freeskate events consecutively. A five minute warm-up will be given prior to each event. Information regarding groups, skating times and Covid-19 guidelines will be emailed to you by each club. Event schedules will be posted on each hosting clubs' website within a week prior to the competition.

REGISTRATION: Each skater will receive a registration time along with their schedule. Skaters must report to the registration table fully dressed at that time for check-in, health survey and temperature check. One parent will be allowed to check-in with their skater. There will be no locker rooms available at our 2021 competition series.

VIDEO TAPING AND PHOTOGRAPHS: Personal photography and videotaping may be done of your skater(s). No parents/spectators or skating professionals will be allowed within the judges' area of the rink.

ON-ICE RINK DOOR AREA: The area by the on-ice rink door gets very busy during a competition. No parents/spectators will be allowed in the area.

INDIVIDUAL COMPETITION AWARDS: All competitors will receive an award at each of the individual competitions. All events are final rounds with awards handed out following the completion of both Compulsory and Freeskate events for each skating level. Compulsory and Interpretive event participants will be awarded with medals. Freeskate event participants will be awarded a trophy. Please report to the Awards area following the conclusion of **both** the Compulsory and Freeskate events for your level and immediately following Interpretive events.

CENTRAL MINNESOTA COMPETE USA SERIES POINT SYSTEM/AWARDS: During the competition season, skaters have the opportunity to compete at four different arenas and earn points towards a final standing. Skaters must be registered with the Central Minnesota Compete USA Series to be eligible for accumulating points. Each event will have a maximum of six skaters.

The point system used to calculate skater points to determine Series placement will be as follows:

1 st place	6 points
2 nd place	5 points
3 rd place	4 points
4 th place	3 points
5 th place	2 points
6 th place	1 point

If an event has 2 – 6 skaters, points will be awarded as if there were six skaters in the group. If an event has only one skater, they will be awarded three points only.

In addition, a skater will earn three additional points toward their overall standing for each level of advancement throughout the duration of the series. In order to be awarded the extra three points, he/she must compete at the new level in at least one competition. All points follow the skater throughout the series, so as a skater moves up to higher levels, the points follow the skater. Once a skater moves on to a new level, they may not compete at any time at a lower level. The points for skaters moving up levels will be awarded at the conclusion of their events at the Battle of the Blades Competition in Alexandria.

Final Central Minnesota Compete USA Series trophies will be awarded for 1st through 3rd places in each level from Snowplow Sam through test levels. Skaters who place 4th and beyond will receive a participation trophy. The Central Minnesota Compete USA Series trophies are awarded to skaters based on their last level they competed in during the Central Minnesota Compete USA Series. Final trophies will be handed at the conclusion of events throughout the Alexandria Battle of the Blades Competition held on March 13, 2021. You need not be present at the season end ceremony to receive your award.

CENTRAL MINNESOTA COMPETE USA SERIES TRAVELING TEAM TROPHY: The traveling team trophy will be awarded to the figure skating club with the most combined series skater entries throughout the Series competitions. This is open to any figure skating club participating in the series at each individual competition and is not limited to the four hosting sites. The current traveling team trophy earner is the Diamond Edge Figure Skating Club for having the most series participants during the 2020 skating season.
