## **INTERPRETIVE PROGRAM:**

Each site will be offering an Interpretive Showcase event that is not eligible for series points but will be recognized with medals at each individual competition.

### **Competition Format**

The host competition will pre-select and edit musical choices appropriate for these events. During the warm-up, skaters will hear the selection of music twice. Following the warm-up, all skaters except for the first skater will be escorted to a soundproof area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

**Judging Rules:** Skaters are judged on originality, pattern, technical (the ability to include jumps and spins), and music interpretation/expression. Spins and jumps performed must be appropriate to competition level. The maximum number of jumps is three.
